VISION

It is our vision that persons affected by alcohol and drug abuse receive the highest quality and most effective care available. Decision Point is committed to serving as a leading resource in the treatment, intervention, and prevention of substance-related disorders. We pledge to continuously strive to develop and implement treatment methods that are evidence-based, to respond to the individualized needs of our client population, and to provide care that offers the greatest opportunity for success.

MISSION

To provide the highest quality drug and alcohol treatment, intervention, and prevention services.

DECISION POINT Alcohol and Drug Treatment Services

PHILOSOPHY

We believe alcohol and drug addiction are chronic illnesses and that recovery involves much more than the promotion of simple abstinence. Decision Point utilizes a systemic approach to address the scope of substance-related disorders focusing not only on the individual seeking help, but also the environment in which they interact. We firmly believe that with help, people do recover.

EVALUATION & DRUG SCREENING

Assessment and evaluations are administered by clinicians trained in the identification of alcohol and drug abuse with reports submitted to referring parties. Assessments are also provided in Spanish.

DETOXIFICATION

All care is overseen by our Director of Nursing and nursing staff. The program is designed to stabilize acute withdrawal symptoms and foster entry into a continuum of treatment.

RESIDENTIAL TREATMENT

Care is delivered through small group, lecture, educational groups, and individual counseling. Additionally there is a host of therapeutic community activities.

SPECIALIZED WOMEN'S SERVICES

This program offers addicted mothers the opportunity to receive a broad range of alcohol and drug, medical, mental health, prenatal care, and ancillary services. They reside with their children in a safe therapeutic, nurturing, and structured environment.

INTENSIVE OUTPATIENT

Intensive outpatient services are offered during the evenings for persons who require a less acute level of care.

DRUG COURT TREATMENT SERVICES

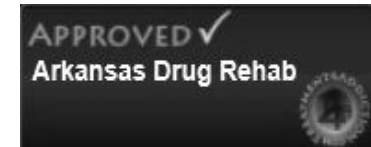

Specialized treatment services for clients diverted to residential treatment. Court collaboration and sanction resolution are key components of this program.

DRUG & ALCOHOL SAFETY EDUCATION PROGRAM

Decision Point provides Arkansas state contract services for assessment and evaluation of persons convicted of driving under the influence. The program provides court assessments and all levels of mandated alcohol and drug abuse educational groups. Classes are also conducted in Spanish.

NW ARKANSAS PREVENTION RESOURCE CENTER

This program located in Springdale targets underage smoking, high risk behaviors among teens, and facilitates training and coalition building among agencies and groups who have the capacity to introduce positive, early age social skills.

ADMISSIONS

Admissions to Decision Point are Monday through Friday from 8:00 am to 4:00 pm. Special arrangements for admissions and transportation to and from treatment may be made by contacting one of our intake and assessment personnel.
